Multiple Server Licenses are shipped as a single serialized product enabled to support concurrent operation on the licensed number of Servers and include one manual per ten (10) Server Licenses. This policy is intended to simplify software registration, support, and upgrades. If individually serialized copies are desired, it must be specified on the order and will affect any quantity discounts. An additional charge, plus supporting documentation, will be required to re-issue any software order.

**Terms:** **U.S.** - Purchase Order (Net 20, D&B rated firms only), C.O.D. (Company Check), or American Express.  
**International (including Canada)** - Pre-Paid (wire transfer or U.S. bank check) or American Express. ProForma Invoice available, upon request (submit completed order form with request). Prices are net U.S. Dollars (any VAT, customs duties, or other tax assessments are the responsibility of the recipient.)  
**All Orders** - Specify method of shipment and include appropriate fee. Physical street address required for delivery (no Post Office Boxes). The right to change terms, pricing, &/or discounts without advance notice applies, as well as the right to refuse any order.
